DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 1/25/10 has been entered. Claims 1, 2, 6-9, 13-16 and 18-20 are pending.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1, 2, 6 and 7 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
 - A. As per claim 1, the claim is unclear as to what structure is producing the predetermined input format that is received by the travel data processing means. The claim specifies that the travel data acquisition component acquires travel data but does not state that the travel data acquisition component formats the travel data into a predetermined input format.
 - B. All claims depending from a rejected base claim are also rejected as containing the same deficiencies.
4. Claims 8, 9, 13-16 and 18-20 are allowed.
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Zanelli whose telephone number is (571)
